

CZECH DEATH METAL

30 YEARS OF BRUTALITY

BAND BIO

PANDEMIA is a Czech death metal institution with 30 years of uncompromising death metal devotion. Formed in 1995, the band has carved out a reputation for delivering pure, aggressive death metal in the tradition of 90's legends like Morbid Angel, Vader or Death while maintaining a modern edge that keeps their sound fresh and relevant.

After celebrating their 30th anniversary in 2025, PANDEMIA released their highly anticipated album **"Darkened Devotion"** on May 16, 2025, via Hammerheart Records (distributed by Napalm Records). This marks their first full-length release in a decade and showcases the band's evolution while staying true to their death metal roots according to raving reviews.

PANDEMIA is a road-tested live act with extensive touring experience across Europe, having shared stages with notable acts including Death, Morbid Angel, Bolt Thrower, Vader, Dimmu Borgir, Incantation, Krabathor, Pessimist, Messiah and other metal heavyweights. Their professional, refined and powerful live performances and decades of experience make them a perfect fit for festivals and club shows alike.
